

OSCAR NSAMBA

SOFTWARE ENGINEER

PROFILE

- I am a passionate and results-driven software developer with a strong background in designing, building, and optimizing innovative applications. With expertise in web development, mobile app development technologies like Python, JavaScript, etc, I thrive on solving complex problems and delivering impactful solutions. Collaboration and continuous learning are at the core of my approach. I enjoy working in dynamic teams, exploring new technologies, and finding creative ways to improve efficiency and user experience. My goal is to craft reliable, scalable, and user-friendly software that makes a difference.
